PROFESSIONAL EXPERIENCE

Graphic Designer, @properties

212 E. Ohio St, Chicago, IL 60611

February 2015 — Present

Production design including advertising and marketing for the continuously growing company, serving 1600+ independent Real Estate Brokers. Responsibilities include managing a constant workload, multi-tasking while prioritizing Broker requests, meeting quick deadlines, attention to detail, and having excellent verbal and written communication skills. Design projects include direct mail, print and digital advertising, brochures, flyers, business cards and more.

Manager & Freelance Graphic Designer, Music Box Theater

3733 N. Southport Ave, Chicago, IL 60613

November 2011 — Present

Works part time as closing Manager. Developed strong skills in customer service, communication, organization and diligence. Responsibilities include opening and closing the theatre, answering phone calls, selling tickets, creating showtimes, and general daily operations.

Design work began with branding three film festivals including three logos. Furthermore, I created brochures and postcards for a variety of film festivals and posters for special events. Also developed a Membership Card and Gift Card program.

Provided press photography for special events and press releases for our website and social media. My photographs of the marquee have also been featured on seasonal calendar covers.

FREELANCE EXPERIENCE

Green Works in Kansas City

Developed a series of signs for Green Works in Kansas City, an environmental education and workforce development program for urban teams. Signs are placed along the Brush Creek, a tributary of the Blue River that flows through a public park. The signs inform park-goers about the groups efforts in restoration and cleanup, and facts about native plants & animals.

Theater Historical Society

Designed a gallery of panels featuring restored photographs and historical information about movie palaces of the past in various neighborhoods of Chicago. Panels to be featured in the Music Box Lounge, attached to the lobby of the theater, for the enjoyment of movie patrons and guests in the theater lounge.
